**Women's Bike School  
in Potsdam**

Many people here in Potsdam travel by bike: to go shopping, to work, to visit friends or simply to explore nature.

Some people only learn how to ride a bike later in life, because they couldn't or weren't allowed to learn as a child or because they were scared and there was nobody to teach how to ride.

It's never too late, riding a bike is child's play! You can still learn to ride a bike with us as an adult. We're here to help.

You can get everywhere quickly by bike. It's cheap, practical and good for the environment.

Besides, it's great fun!

Learn to ride a bike with us.

Get a taste of your new freedom as a gentle breeze caresses your face.
